ATX Licensing, Inc. (“ATX”) and Manhattan Telecommunications Corporation d/b/a Metropolitan Communications (“MetTel”)(ATX and MetTel, together, “Applicants”), by the undersigned counsel, hereby file this second amendment to correct the identity of the transferor in the above-captioned transfer of control application (“Section 214 Application” or “Application”).

1. On May 10, 2005, Applicants filed an application with the Commission for authority pursuant to Section 214 of the Communications Act of 1934, as amended, and Sections 63.04(b) and 63.24(e) of the Commission's rules, for ATX to transfer to MetTel certain of its customers located in the State of New York and associated customer account information. The Application stated that the

international and domestic Section 214 authorizations currently held by ATX will continue to be held by ATX following consummation of the proposed transaction.

2. On May 13, 2005, Applicants filed an amendment to the Application to clarify how the domestic Section 214 part of the Application qualifies for streamlined treatment pursuant to Section 63.03(b) of the Commission's rules.

3. Applicants hereby file the instant amendment to correct the name of the transferor identified in the Application as seeking Section 214 authority to transfer its New York customers. The transferor is CoreComm New York, Inc. ("CC-NY" or "Transferor"). CC-NY is an indirect, wholly-owned subsidiary of ATX Communications, Inc. (and, therefore, an affiliate of ATX). The affected customers receive local exchange services and/or international and domestic long distance services provided by CC-NY.

4. Applicants further amend the Application to provide the information required by Section 63.18(a) through (d) of the Commission's rules. Specifically:

(1) 63.18(a) -- Name, address and telephone number of each applicant.

Transferor: CoreComm New York, Inc. FRN: 0013496823
2100 Renaissance Boulevard
King of Prussia, PA 19406
Tel: (800) 220-ATX2

(2) 63.18(b) -- State of organization.

Transferor: CC-NY is organized under the laws of the State of Delaware.

(3) 63.18(c) -- Contact person for this Application.

Transferor: No change.

(4) 63.18(d) – International Section 214 Authorizations.

Transferor: CC-NY does not hold international Section 214 authorization in its own name. CC-NY provides international telecommunications services pursuant to the international Section 214 authorization granted to its direct parent, CoreComm Newco, Inc. (“Newco”).
See File No. ITC-214-19980501-00290.¹

5. Pursuant to this Second Amendment, the term “Applicants” as used throughout the Application refers to and shall be understood to mean CC-NY and MetTel. In addition, wherever in Attachment 1 of the Application reference is made to “ATX,” such reference refers to and shall be understood to mean CC-NY.

6. Except as amended by the statements made herein, all other information provided and representations made in the Section 214 Application remains true and correct.

Respectfully submitted,
